Proposal to change by-laws;

Effective 7-1-15 the Unit D Coordinator will receive a stipend of \$1,500 per year.

The Unit D Coordinator will be appointed by the President and voted in by the Board of Directors. The term will be for two years.

Rationale for additional stipend: The time required to attend to the numerous issues and problems exclusive to Unit D is quite high. Unit D is, and always has been, a sub-section of the CEA and as such deals with issues pertinent to Unit D.

Respectfully,

Mary T. Janik  
Unit D Coordinator
